WELCOME TO BLAKES COACHES

Firstly, we would like to thank you all, our valued customers, for your continued support during this unprecedented event in our lifetime. Thank you too for all the lovely messages, cards and kind wishes of support we have received over the past 12 months.

Secondly, our sincere condolences and thoughts go out to anyone who has been affected by this horrible virus; it has truly been an awful time for so many families.

It gives us great pleasure to present our new and exciting 2021 day excursion brochure featuring a wide range of quality and value for money days out, together with a selection of additional tours for 2021.

Our top priority is your comfort and safety but we also want you to have the confidence to travel with us again. We have been busy putting into place many safety measures in line with government guidelines to ensure you can have that confidence.

- Carried out risk assessments in line with the latest government guidance to ensure that our vehicles are considered COVID-19 secure.
- Our vehicles are fitted with an air purifying system.
- Provided hand sanitisers at each entrance and exits which we require customers to use as they board and exit the vehicle.
- Purchased fogging machines which sanitises and deodorises when combined with special agents that attack and destroy all germs, bacteria, viruses and spores in it's path. These will be used after every journey.
- Purchased sufficient supplies of cleaning chemicals that are effective against Coronavirus.
- Introduced an enhanced cleaning regime for all our vehicles paying special attention to high frequency touch points.
- Appropriate social distancing guidelines will dictate the number of passengers on a coach.
- The wearing of a face mask or covering as per government guidelines.

All of us at Blakes Coaches hope you enjoy browsing through our brochure. If you have travelled with us before, you will know that we pride ourselves in providing a personal service, throughout your booking. If you are new to Blakes Coaches, why not give us a try?
